Friend --

One of my favorite summertime events in the 13th District is around the corner, and I want to make sure you mark your calendars!

The 10th Annual Frogtown Artwalk will take place on **Saturday, August 13, from 4-10 p.m., stretching from Bowtie Parcel (2800 Casitas Ave) to Klub Gymnastics (1683 Blake Ave)**. Set against the backdrop of Elysian Valley's artisan and craft maker community and the Los Angeles River, the event serves to showcase the eclectic and flourishing mix of galleries and studios in this part of the city.

The evening will feature 33 venues that will host art exhibitions, as well as offer food selections and stage musical/spoken word performances. A complete list of artists, performers and entertainers are updated regularly at www.FrogtownArts.com.

This event has special meaning for me -- and I have watched it grow from a tiny event covering a few streets to spanning several blocks along the River. I am proud to sponsor this Artwalk once again, and I encourage you to check out the festivities.

Please mark your calendars, and I look forward to seeing you in Elysian Valley on August 13.

Warm regards,
